Continuation of the Mobile Spectrum Tender

According to the today's press release from the Federal Office of Communication, the amended tender documents for the auction of mobile radio frequencies have been published. Interested parties have until 30 September 2011 to submit their application to the Federal Office of Communication for participation in the auction. It is expected that the auction will be held in the first quarter of 2012.

For further information including the tender documents for the mobile spectrum auction please refer to:
